

## COMMUNITY SERVICE OPPORTUNITIES

The Community Service Committee is interested in hearing from you regarding worthwhile organizations or projects that would benefit from BOMA's support. In evaluating service opportunities, the Committee considers the following guidelines:

- Projects should be located in the primary markets of the BOMA membership. These include Ann Arundel, Harford, Baltimore and Howard counties and the city of Baltimore
- Organizations must be not-for-profit
- Projects that are "one time events" are preferred
- Projects should make use of the resources of the BOMA membership
