Playground in memory of Principal Christine Skowrunski

WHAT: The Building Owners and Managers Association of Greater Baltimore, Inc. (BOMA) – a non-profit membership organization that provides advocacy, education, professional development and networking to commercial real estate professionals and related service providers – announced today it will dedicate a **new playground at Woodhome Elementary and Middle School** in Parkville, MD on **Friday, November 18 at 1:30 pm**.

BOMA Baltimore committed matching funds totaling \$10 thousand to build this new state-of-the-art playground at Woodhome Elementary and Middle School. This is one of several projects initiated by BOMA Baltimore's Literacy Empowerment Advocacy Program (LEAP) in partnership with Woodhome Elementary and Middle School.

Representatives from BOMA, members of Principal Skowrunski's family, Baltimore City Schools representatives and students from Woodhome Elementary and Middle School will be at the dedication ceremony.
