Pete gave me the clarity and confidence to follow my dreams, to get in touch with and live my purpose, and to just plain GO FOR IT! He has an uncanny knack of asking the right (great) questions that elicit the right answers. I would not be where I am and have this much confidence if it wasn't for Pete Kohlasch. And the ability to offer this to my team has been incredible. One of the best investments I've made into my business...ever.
