A MESSAGE FROM OUR BOMA BALTIMORE PRESIDENT

The BOMA Baltimore Board and Committees have been working very hard over the past few months to adjust our ways of doing business in order to meet the new demands placed on our industry. I would like to thank all the BOMA Baltimore board members and committee chairs for staying engaged during these times and being committed to keeping our members and associates connected.

We know that our members are under additional stress due to the virtual nature of how we now need to manage our buildings and interact with our tenants. This extends to our associate members, who are having their own set of challenges during the pandemic. Although the time when we can fully re-open may not be soon, the Board and Committees will continue to do our best to meet our members’ needs.

Look for more fun and educational virtual events in the coming weeks, there are details below on what we have planned.

Lastly, we hope you like the new look and functionality of our website. The enhancements changed the appearance and makes the webpage administration easier for the staff.

Continue to stay connected to your friends and let BOMA Baltimore know if we can be of service. Stay safe everyone!

BOMA BALTIMORE MEMBER VIRTUAL HAPPY HOUR

BOMA Baltimore members celebrated July 4th with a special Independence Day themed networking happy hour featuring July 4th trivia, show and tell, and a scavenger hunt. It was a fun way for members to get to know each other a little better.

Our trivia champion was Crews Keen of PCM Services, and we had a tie for the most festive red, white, and blue outfit between Rene Carter with Unlimited Restoration, Inc., and Jennifer Dunstone with Cushman & Wakefield.

Thanks to all who participated!

COMMUNITY SERVICE COMMITTEE VIRTUAL TRIVIA HAPPY HOUR

In lieu of the Annual Day of Service, BOMA Baltimore’s Community Service Committee hosted a night of trivia and cocktails for 40 members and friends on August 12. $2,080.00 was raised from the event to benefit The Weinberg Housing and Resource Center. Ingredient baskets were delivered to participants and Brian Acquavella from Black Eyed Suzie’s in Bel Air taught the group to make some true Maryland cocktails sure to impress! After that, our friends at Simpli ran a terrific trivia event.

Thanks to our sponsors below and all participants for supporting this great cause.

Coronavirus-related restrictions are creating new workplace challenges as businesses and organizations re-open. On top of the pandemic, you may have heard we have an election coming up. Join BOMA Baltimore and CREW as we present **Return of the Economist: COVID-19 and Post-Election Economic Update** on November 19 from 9:00 – 10:00 am. Speaker: Anirban Basu – Chairman & CEO of Sage Policy Group, Inc.

COVID-19 has rocked what had appeared to be a nearly invincible economy; one associated with substantial job growth, multi-decade lows in unemployment, sturdy compensation increases, robust retail sales, low inflation, and strong financial market performance. Underneath that strong performance, however, was a set of frailties that have been exposed by the pandemic. This webinar speaks to our current economic circumstances, how difficult things are likely to become over the foreseeable future, and the contours of the brisk recovery to come thereafter. There will also be a discussion of the likely implications of presidential and congressional election outcomes for real estate and the broader economy.

The registration fee is $20 for members of BOMA or CREW (register on your respective website) and $40 for non-members.
